References

If called for an interview at NMK, please come prepared with a list of 3 professional references complete with each contact's full name, their relationship to you (former or current employer, supervisor, teacher, organization head, etc), the full name & address of their organization, and current contact information including phone number(s).

Background Check

NMK requires a background check of all prospective employees. If you are called for a first or second interview, you will be asked to complete a *Verified Information Services* form including SSN (social security number), DOB (date of birth), certain financial information, and signed consent. If you ever have been convicted of a felony, please explain, in writing, below, and/or be prepared to discuss at your first NMK interview. It's possible you may be hired before NMK has received all background check results. An unfavorable report may result in your immediate dismissal.
